

Presenter: William Henry Riley, DPA, MBA, CAE

Henry is an independent contractor with TEAM Consulting. He has forty-five years of appraisal and assessment experience including multi-jurisdictional implementation of computer assisted mass appraisal (CAMA), GIS, land record management systems.

Holding the CAE designation from IAAO, he is a senior IAAO national instructor. He is a state certified general appraiser and an AQB certified USPAP instructor. Having served on the Appraisal Standards Board (ASB), Henry has taught the USPAP instructor certification course several times and this past year served on an ASB Workgroup on the revision of the Mass Appraisal Standard of USPAP - STANDARD 6. Henry has written numerous articles on mass appraisal, CAMA, assessment administration, and USPAP.
